Chapter 1 by Unknown

I'm Unknown. So most of you have probably have heard of Carly Future, the girl (or boy for all we know) that has been saying some stuff about my friends. Now I don't know who it is but I do have a few ideas, but for their safety I'm not going to name them. Now I couldn't really care less if this Carly person posts about me because well nobody knows who I am so they can do whatever they please. But it is kind of creepy that they know all of this. I mean this is just so accurate! But seriously this Carly person should just give up, because when your caught you are going to be REALLY embarassed.

Much love,
Unknown
